

Message from Mrs Crocker

Happy New Year! I hope everyone had a lovely Christmas holiday. We had a great time visiting friends and family and fitting in various Christmas activities. I'm very much looking forward to the Christmas present Mr Crocker gave me – an (indoor!) skydiving lesson! Quite unexpected! The 'Christmas chaos' was balanced out with a very quiet week around New Year which was wonderful!

The 'Spring' Term (I'm never sure why it's now Spring!) has now started and it's been fantastic seeing all the children back in school and hearing about their holidays. It feels like everyone's had a good rest and are now raring to go! With plenty of exciting things planned for this term, they'll certainly need all this energy.

Weather/Driving/Clothing

We're always keeping a very close eye on the weather in this term. It does feel like there are more tricky factors with the weather than there was a few years ago. I'm sure you all do, but please can you also be vigilant and ensure you leave plenty of time for journeys, but also check your child has the appropriate clothing for the weather. A change of clothes in school is always handy too! Please can you make sure all clothing is named – a Sharpie on the label works well. Even gloves etc. as this is such a big help.

Dates- All our upcoming events and important dates can be found on the calendar on our website.
