

Message from Mrs Crocker

Welcome back! What a glorious week we've had to return to school! I hope everyone enjoyed a wonderful Easter holiday. Despite the weather not being quite as nice as this week, I hope you all managed to get outside for some fresh air and relaxation.

We had a fairly relaxing holiday, spending quality time at home with family and friends. During the second week, we took a mini-trip around Stratford-upon-Avon, coincidentally on William Shakespeare's birthday! Some of you may have seen the photo on Facebook (thank you, Mr. Crocker!) of me trying indoor skydiving – it was great fun!

It really feels like everyone had a good break, as this first week back has gone so well. I always enjoy chatting with the children after a holiday and hearing about their adventures. Everyone, both staff and children, seems fresh, relaxed, and ready to learn! Perhaps it's the break, or maybe the lovely weather!

As you know, the Summer Term is always busy, so I'm glad everyone is feeling refreshed. Please check the calendar for upcoming events. We're looking forward to celebrating the 80th anniversary of VE Day in school next Thursday.

Please keep an eye on the weather and ensure your children bring appropriate gear – this week it's sun hats and sun cream, but it might be waterproof clothing next week (hopefully not!). Also, a reminder for all children to have a water bottle with them at all times.

Don't forget about the bank holiday this coming Monday (5th May)! We'll see everyone back on Tuesday, 6th May.

Louise Crocker

Preschool News

Welcome back to a very sunny and warm start to the Summer term! It has been a joy to see so many happy faces appearing from under sun hats enjoying playing in our garden, walking across fields to the stream and exploring under the shade in forest school!

It is a very short half term and we plan to be busy preparing, planting and looking after our vegetable and flower gardens.

A huge thank you to all parents every child has now got a sun hat and suncream in their bag, if the weather continues to be very hot a long sleeve

lightweight T-shirt would be very helpful as added protection from the hot sunshine. The children will continue to need their waterproofs and wellies as there is always a muddy stream to paddle in on our daily walks!

Have an enjoyable long weekend and look forward to welcoming children back on Tuesday!

Julie and Beth

After school clubs

Clubs start next week, see calendar below for more details. Please note Mr Crocker's bike club on the 22nd May will now run on the 20th May.

[Dates- All our upcoming events and important dates can be found on the calendar on our website here.](#)
